-- configured differently from the other members of the family so as to accommodate the selected one of the different types of starters --.

In claim 7,

- On line 4, after "member of the family being",

"specifically configured to accommodate a particular type of engine starter"

has been changed to

**-- configured differently from the other members of the family so as to
accommodate a selected one of different types of engine starters --.**

Information Disclosure Statement

3. While the NPL references provided by the applicant on 4/22/2004 have been considered, the Examiner is unable to verify the accuracy of corresponding web address (URLs) listed in the IDS submitted 4/22/2004. It is noted that several of the web addresses printed on the NPL do not match the listings in the IDS. Therefore, pages two through eight of the nine-page IDS have been crossed out because such cannot be verified.

It is further noted that the applicant has previously been notified of this issue in the other copending applications as well.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ajay Vasudeva whose telephone number is (703) 306-5992. The examiner can normally be reached on Monday-Friday 1:00 pm--5:30 pm.

Art Unit: 3617

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, S. Joe Morano can be reached on (703) 308-0230. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
